PaleoCultural Research Group  
P.O. Box 745309, Arvada, CO, 80006  
PCRG is a nonprofit organization that conducts scientific research, trains students, and educates the public on the archaeology and paleoecology of the Great Plains and Rocky Mountains. PCRG’s public archaeology projects use state-of-the-art field and lab methods to investigate human communities and their relationships to the natural environment, from North America’s earliest American Indian inhabitants to nineteenth-century traders and settlers.

Hord Coplan Macht
1331 19th Street, Denver, CO, 80202

Hord Coplan Macht, formerly Slaterpaull Architects, has been providing professional historic preservation architecture and consulting services for more than 30 years. The firm has completed more than 100 historic structure assessments. Our historic restoration and rehabilitation experience includes planning and design work on more than 500 individual structures. In addition to our staff of historical architects and preservation specialists, we have a full landscape architecture studio with experience in the preservation of historic landscapes. We have assisted historic building owners with grant writing, master planning and public process. Completed projects include historic church buildings, schools, college and university buildings, house museums, mining and agricultural structures, community buildings and municipal and civic buildings and structures.
