## Section B: Use of Contingency:

1) Start by completing the table below:

Indicate the amount of available contingency, as identified on the Exhibit B: Project Budget of your contract. Enter the total amount of contingency requested. Indicate the remaining amount of contingency funds.

Budgeted Contingency Funds:	\$
Total Amount of Contingency Requested:	\$
Remaining Contingency Funds:	\$

2) Next, complete the tables below showing to what line items contingency will be applied:

Indicate the Project Budget task, as listed on the Exhibit B: Project Budget of your contract with the State Historical Fund. List the currently budgeted amount for that line item in the "Budgeted Amount" column. Indicate the amount of contingency funds to be applied to this line item. Calculate the revised total for the line item including the requested contingency amount.
