You can submit photos in three different ways:

- a) Submit digital photos by sending a CD or USB drive with your application, or you can email photos or share them through a Dropbox account by emailing erika.warzel@state.co.us
- b) If you don't have digital photos, and you are comfortable with it, you may send original photos with your application and we will scan the photos and return them to you.
- c) If you aren't comfortable sending original photos, you can send photocopies of pictures with your application.
