Hord Coplan Macht
1331 19th Street, Denver, CO, 80202

Hord Coplan Macht, formerly Slaterpaull Architects, has been providing professional historic preservation architecture and consulting services for more than 30 years. The firm has completed more than 100 historic structure assessments. Our historic restoration and rehabilitation experience includes planning and design work on more than 500 individual structures. In addition to our staff of historical architects and preservation specialists, we have a full landscape architecture studio with experience in the preservation of historic landscapes. We have assisted historic building owners with grant writing, master planning and public process. Completed projects include historic church buildings, schools, college and university buildings, house museums, mining and agricultural structures, community buildings and municipal and civic buildings and structures.

Rosin Preservation, LLC
215 W. 18th Street, Suite 150, Kansas City, MO, 64108

Rosin Preservation, LLC is a Kansas City-based historic preservation consulting firm that offers a broad range of services. Under the direction of company founder Elizabeth Rosin, the firm assists clients in rehabilitating historic properties, in complying with cultural resource regulations, and in capitalizing on the economic benefits of historic preservation. Clients benefit from the energy, knowledge and creativity of the Rosin Preservation team. We bring to the table decades of professional experience working with a vast spectrum of historic resources and preservation issues. All Rosin Preservation staff members meet the standards for preservation professionals, as defined by the federal government in 36 CFR 61
