Lowry Pueblo National Historic Site
Lowry Pueblo was constructed by the ancient inhabitants of the Four Corners area about A.D. 1060. The pueblo contained 40 rooms and 8 ceremonial chambers and was home to approximately 100 people before its abandonment around A.D. 1200. The stabilized site is located on public lands in Montezuma County, Colorado.

Colorado Archaeology and Historic Preservation Week
May 10-18, 1997
Colorado is rich in both natural and cultural resources. From the towering peaks of the Rocky Mountains to the rich cultural heritage found in its cities, Colorado is a state that is as diverse as it is beautiful. This guide aims to provide you with a comprehensive overview of the state's natural and cultural attractions, helping you to plan your visit and make the most of your time here.

**HISTORICAL AND ARCHAEOLOGICAL SITES**

The state of Colorado is rich in historical and archaeological sites, from ancient Native American settlements to modern-day ghost towns. These sites serve as important reminders of the state's past and offer a glimpse into the lives of those who came before.
