APPLICATION FOR COLORADO STATE INCOME TAX CREDIT
FOR THE PRESERVATION OF HISTORIC STRUCTURES
(RESIDENTIAL PROPERTY – 2014 CREDIT)

Pursuant to House Bill 14-1311 (CRS 39-22-514.5)

INSTRUCTIONS

PART 1 -- PRELIMINARY APPROVAL

Part 1 should be completed prior to start of a restoration, preservation or rehabilitation project for which a taxpayer requests a state income tax credit. (PLEASE NOTE: Work completed prior to obtaining preliminary approval may not qualify for the tax credit. Ask History Colorado for details.) The completed form should be sent to your local government if listed below or to History Colorado if your community is not listed:

NOTE: (Please consult OAHP Publication #1568 for local government contact information)

1. PROPERTY INFORMATION. Provide the name and address, including street, city, county and zip code, as well as the legal description of the property. Provide the name of the historic district if the structure is located within a designated historic district.

2. APPLICANT INFORMATION. Provide the name of the taxpayer filing the application. Include the required information for both business and residence as well as the taxpayer identification number or social security number of the applicant. If more than one taxpayer intends to claim the credit, include on a separate sheet the name, address and taxpayer ID number for all taxpayers intending to claim the credit.

3. OWNER INFORMATION. If the owner is someone other than the applicant, include this information. If it is the same, write "same."

4. PROJECT CONTACT. Specify the contact person for the project (may be applicant, owner, or a third party).

5. PROPERTY DESCRIPTION. Provide a brief description of the property. Include a description of the exterior and any significant interior details: number of stories, basic floor plan, construction materials and details. Also describe distinctive architectural features, such as hardware, woodwork and trim, stairways and fireplaces.

6. PHOTOGRAPHS OF THE BUILDING. Provide photographs to adequately show all sides of the structure(s) as well as close up photographs showing details. Interior photographs are also required for any interior rehabilitation work that will be claimed for tax credit. Photos must be at least 3” x 5” and may be either black & white or color.

7. DESCRIPTION OF PROPOSED REHABILITATION/PRESERVATION WORK. In the numbered blocks, provide a description of the project. A separate block should be used to describe work on a specific feature (use as many additional sheets as necessary). Describe each feature and include its present condition, then describe the proposed work and the impact to the feature. Include labeled and numbered photographs of each feature. Use as many blocks as needed to completely describe the entire project. Examples of such features are: stairways, windows, doors, roofing, chimneys, floors, exterior and interior finishes, major spaces, etc. Drawings, if available, must be keyed to the descriptions. All proposed work on the project must be described, whether or not it is a qualified cost for the credit. For example, neither additions nor landscaping costs are allowable for the credit, nevertheless proposed additions and landscaping should be described.
8. COST ESTIMATE OF PROPOSED WORK. To the best of your knowledge, provide an estimate of the costs of the proposed work. List separate costs as closely as possible to the features described in No. 7 of this application; however, only qualified costs on qualified rehabilitation work need be itemized. In addition to providing the total for qualified costs, include an estimate of the total cost of the entire project, including the cost of work that does not qualify for the tax credit such as additions, landscaping, site work, architect fees, etc.

9. PROJECT STARTING DATE AND PROJECT COMPLETION DATE.

10. APPLICANT'S SIGNATURE. Provide signatures of all taxpayers claiming the credit (use additional sheets if necessary).

11. PAYMENT. Please be sure to pay the review fee, if necessary (refer to Publication 1322b for more details).
