

## OVERVIEW

The Certified Local Government (CLG) Program seeks to encourage and expand local involvement in historic preservation activities through a partnership between local governments and the State Historic Preservation Office (SHPO), and the National Park Service (NPS).

## BENEFITS

- ▶ CLG communities have access to grant funds available only to CLGs. These grants do not require a cash match and can be used for survey, planning, nomination, or educational activities.
- ▶ CLG communities receive technical support from SHPO and National Park Service staff in order to advance local preservation objectives.
- ▶ CLG communities have the ability to join national organizations, such as the National Alliance of Preservation Commissions, that provide informational resources and access to a 50-state preservation network.
- ▶ The SHPO offers CLG-exclusive training and networking opportunities throughout the state.
- ▶ The opportunity to participate in the review of tax credit projects.
- ▶ Local designation qualifies property owners for the 20 percent State Historic Preservation Tax Credit and provides access to the State Historical Fund preservation grant program.
- ▶ A strong local preservation program can increase property values, assist in promoting heritage tourism, and promote community heritage and identity.
