Summary Information

| | |
|---------------------------------|--|
| Repository | History Colorado. Stephen H. Hart Research Center |
| Title | Colorado Subject Collection: Geographical files |
| Date | 1847-2010 |
| Extent | 82.5 Linear feet |
| Language | English |
| Collection [Linear-Feet] | 82.5 |
| Abstract | <p>The Geographical files are part of a larger collection of material, The Colorado Subject Collection. The Colorado Subject Collection is comprised of Biographical files, Geographical files and Subject files. The Geographical files contain information on the West and on numerous cities, towns and counties in Colorado. The type of material found in these files includes but is not limited to, travel and tourist brochures and flyers, Hotel and resort ephemera, maps, articles, and newspaper clippings. The files are arranged by geographic location starting with the West and then narrowing alphabetically by town or city. Furthermore, Individual file folders are generally arranged by date.</p> |
