Summary Information

Repository	History Colorado. Stephen H. Hart Research Center
Title	Colorado Subject Collection: Biographical files
Date	1829-2011
Extent	42.5 Linear feet
Language	English
Collection [Linear-Feet]	42.5
Abstract	<p>The Biographical files are part of a larger collection of material, The Colorado Subject Collection. The Colorado Subject Collection is comprised of Biographical files, Geographical files and Subject files. The Biographical files contain information on numerous individuals, either residents of Colorado or important figures in Colorado history. The type of material found in these files includes but is not limited to, birth certificates, marriage certificates, deeds, correspondence, certificates of military service, biographical sketches, newspaper clippings, obituaries, and genealogical information. The files are arranged alphabetically by last name.</p>
