

**Lee, Roy G. Collection**  
**MSS 383**

This collection of 12 File Folders is a result of Roy Lee's efforts in the late 1940s and 1950s to obtain historical information about Jim Baker. Jim Baker, one of the original white settlers of the Colorado Territory, was a famous Trader and Indian Scout who later settled in Denver when it was first being established. After some years he moved to Wyoming because the Denver area was getting too crowded.
