Microfilm project  
K. Schrum, June 2005

The collection contains one ledger book dated October 23, 1871 through February 3, 1891. The book is one hundred eighty-eight pages in length; however, entries appear on only a few pages as listed below. The book measures 12.5 " x 15.25 inches when open. The book is fragile. The spine is gone and pages are loose.

Film as follows:
