Agriculture = Crops, ranches, ranching, farming, structures such as barns. The term excludes cowboys (see Occupations) and anything water related outside of irrigation (see Engineering). The photos of ranches include homesteads, sod houses and some log cabins. The ranches are listed according to ranch name or owner if known. All out of state headings are listed toward the end of the section.

Indians - The "Indians" heading refers to images of and about Native Americans. Tribes are listed by Tribal name and images of ruins associated with Native Americans are listed by name (i.e., Indians-Ruins-Mesa Verde). Specific images of individual Native Americans will be found under the "IBF" heading.
