

PUBLICATIONS OF HISTORY COLORADO

History Colorado produces an award-winning quarterly magazine—[Colorado Heritage](#)—for its members. *Colorado Heritage*'s richly illustrated stories link history to art, architecture, sports, music, technology, agriculture, archaeology, and folklore. Members receive *Colorado Heritage* in the mail or via email. Individual copies are available for a \$10 handling and shipping charge per copy.

History Colorado (the former Colorado Historical Society) also publishes a variety of books about the history of Colorado and the Rocky Mountain West, often in partnership with the University Press of Colorado. We've published booklets on our exhibits and regional museums, general interest historical studies, exhibition catalogs, and directories and indexes to assist researchers.

In addition, History Colorado produces the bimonthly [Explore](#) calendar and a monthly [e-newsletter](#).
