Tagline:

Commemoration. Events. Impact.

Sample Copy:

The year 2020 is the centennial anniversary of the 19th Amendment. As the first state to give women the right to vote by popular referendum in 1893, Colorado has a lot to be proud of as we recognize the progress and rally together for greater equality. Let's remember those who fought on our behalf, explore the stories of success and setback, and most of all, let's continue to vote.

Sign-off:

A collaboration led by History Colorado and the Colorado Women's Vote Centennial Commission.
