

## How has the coronavirus (COVID-19) outbreak changed your life?

Coronavirus (COVID-19) has become a worldwide pandemic. First and foremost a health crisis, coronavirus is also impacting the global economy, as well as the everyday lives of countless individuals.

History Colorado wants to hear from you about how you and your family are being affected. Please tell us your story so we can add your voice to the history of our state - for us to look back on in the future.
