HOW TO APPLY
State Historical Fund Micro Grant

The history of this page is important. If you have any questions please contact SHF at 303-664-2025 or shf_shf@state.co.us

ORGANIZATION & CONTACT INFORMATION

State provides funding for micro grants to non-profits for the purpose of historic preservation. The SHF is a formula-funded program, and the amount of money that is available for grants is limited to the amount of money that is available for the program each fiscal year. The SHF is administered by the State Historical Fund.

Please provide a detailed description of your organization, including its mission, goals, and any other relevant information. Please provide a description of your organization's history, including how it has grown or changed over time.

PROJECT & PROPERTY INFORMATION

Please provide a detailed description of your property, including its location, history, and significance. Please describe any efforts that have been made to preserve or restore the property. Please provide a brief description of the property's current condition and any plans for future preservation efforts.

Grant Narratives

Applicant Capacity

Briefly describe both your organization’s mission, and its history. Also, provide a description of any specific problems that are being addressed by the project, as well as details where this scope falls within it. Provide a brief description of the resource(s), including character defining features. Please provide the plan for its designation moving forward. (National Register / State Register and/or Local designation). If not currently listed, provide a brief history of the resource and its significance, including its listing as part of a larger historical fund. If applicable, include any other information about the resource.

Standards for Archaeology & Preservation and experience with the state role in the project. Be sure to identify their experience applying the Secretary of Interior’s Standards for Archaeology & Preservation. A brief explanation of each selected team member, their related background and their project experience.

If you have more than one project, a brief explanation of the project timing.

Scope of Work & Budget

Please provide a budget for the grant, including all anticipated expenses. Your budget should be detailed and realistic. Please include any other sources of funding that will be used to support the project. Your budget should be submitted with your application.

Resource Significance, Description & Project Context

How does the community support this project? Will this project benefit an under-represented group? How? What is the urgency for completing the project? What will be accomplished, how and by whom?

Project Description

Provide a detailed description of the work that will be accomplished by the grant. Your description should include the scope of the project, the methods and materials that will be used, and the expected outcomes. Please provide a photograph of the project site, as well as other visual aids to illustrate your proposed project.
