How to apply: Archaeological Assessment

Sign-up in advance to register to use the site in order that you may observe. For more information please visit the website.

Organization & Contact Information

The SHF grants are reviewed by the Colorado Historical Commission. A SHF grant agreement is prepared and signed in a letter to the organization.

Diversity, Equity & Inclusion

One of our goals is to seek racial equity within our policies.

Resource Description & Significance

Resource description & scope of work should be included in the proposal. A project team section should also be included.

Scope of Work & Budget

The following directions are organized by application tabs in the order that they are displayed. For more information please see the SHF Guidebook.

Project Description

A thorough and well-organized description of the project's significance, and the scope of work of the project is necessary.

Project Timeline

Check list tasks that are necessary to complete in order to have the project completed.

Agreement

A statement indicating that the project has been approved by the SHF and is ready for execution.

Attachments
