15. Preliminary Report

- Summary of work completed under permit, including field dates, personnel involved, and results.
- Summary of work in progress under permit.
- Narrative of any future work that is intended to be performed under this permit.
- Notable discoveries and important findings.
- Any threatened resources about which OSAC should be aware.
- Expected timeline of completion of a final report.

Instructions

End-of-Year/Preliminary Report

General: End-of-Year/Preliminary reports summarize the work completed under a permit issued by the Office of the State Archaeologist of Colorado (OSAC). A separate report is required for each permit. Multiple projects conducted under one permit may be reported using the End-of-Year/Preliminary Report Continuation Pages.

Permit Details: Lines 1-5 may be found on the OSAC issued permit

1. **Permit Number.** The permit number is assigned by OSAC. All correspondence between OSAC and the permittee should reference this permit number.
2. **Permittee(s) Listed.** All individuals who are listed on the permit issued by OSAC, including all Principal Investigator(s) and Project Archaeologist/Paleontologist(s), are responsible for reports submitted under this permit.
3. **Permittee Institutional Affiliation(s).** The business, university, or other entity with whom the permittee(s) is/are affiliated.
4. **Permit Type.** Archaeological or Paleontological and the permit class issued by OSAC (Survey only, Non-collection survey only, Survey and test excavation, or Excavation).
5. **Permit Location.** Location listed on the OSAC issued permit. Additionally indicate land ownership (State, Municipality/County, and/or Private Property).

Project Details. Multiple projects conducted under one permit may be reported using the End-of-Year/Preliminary Report Continuation Pages.

6. **Project Name.** The project name is assigned by the permittee to identify the work conducted under permit.
7. **Report Citation.** If a report is complete, provide the citation.
8. **HC Document ID(s).** Provide any identifying numbers provided by History Colorado – Office of Archaeology and Historic Preservation staff related to this project.
9. **Purpose of Permit.** Check the appropriate box. If the permit was issued for scientific, educational, or other purposes, continue with line 10. If the permit was issued for consulting, continue with lines 9a & 9b before proceeding to line 10.
 - 9a. **Lead Agency.** If a compliance project, provide the lead agency.
 - 9b. **Client.** Provide for whom the project was conducted.
10. **County.** Where was the project located? May be multiple counties.

Curation Details. Lines 11-13

11. **Collections Generated.** Check the appropriate box. If collections were generated (yes), continue with lines 12-13 before proceeding to line 14. If collections were not generated (no), continue with line 14.
12. **Repository.**
13. **Materials Submitted to OSAC.** Check the appropriate boxes.
 - 13a. **Simple Inventory of Collections.** Check the appropriate box if a simple inventory of materials has been submitted to OSAC.
 - 13b. **Repository Receipt of Collections.** Check the appropriate box to indicate if collections have been deposited in the approved repository and if a receipt of deposit of collections has been submitted to OSAC.

If part or all of the collections have not been deposited in the approved repository, provide a timetable for the deposit in preliminary report (line 15).

14. **Materials Submitted to OAHP.** Check the appropriate boxes.

14a. **Final Report.** Check the appropriate box to indicate if a final report has been submitted to OAHP.

14b. **Site Form(s).** Check the appropriate box to indicate if relevant site forms have been submitted to OAHP.

14c. **GIS data.** Check the appropriate box to indicate if a GIS data have been submitted to OAHP.

14d. **Other.** Indicate any other materials submitted to OAHP.

15. **Preliminary Report.** This should describe the preliminary results of work completed under permit and any ongoing work.
