

End-of-Year/Progress Report Continuation Page

Office of the State Archaeologist of Colorado

Instructions

General: Multiple projects conducted under one permit may be reported using the End-of-Year/Progress Report Continuation Pages. Ensure Lines 1-5 and 15 on the End-of-Year/Progress Report template are completed before using a continuation page. Detailed instructions for each line may be found on that template.

The information fields below must be included in the reports that are prepared in accordance with Archaeology and Paleontology Permits issued under CRS 24-80-406.
