Bill-Jim Mining Company

284 p.

Bill-Jim mining Company was established in 1894 by William H. James and James Perchard. They also formed the Bill-Jim Gold Mining Company in 1896. William James served as the president of the companies and Perchard as secretary. Both companies had mining properties in San Juan County, Colorado. In 1898, the gold mining company had sunk a 75 foot shaft, and had a total of 7 employees.

The collection includes several court judgements (1893), and a stock book from each of the two mining companies.
