

## The History Colorado Center Is Expanding Its Field Trip Opportunities for Middle and High School Students!

Over the next 18 months, the **History Colorado Center** will expand its field trip offerings, giving teachers and students the opportunity to explore how democratic principles have shaped our history and to bridge the gap toward understanding the here and now.

### **NEW Exhibition – Now Open!** ***What's Your Story?***

The special place Coloradans call home is the result of generations who've used their powers for good. It's a place where we celebrate values like innovation, collaboration, and integrity. Look to the journeys toward leadership that Coloradans past and present have taken—and be inspired to take your own.

[\*What's Your Story?\*](#) shows Colorado leaders not only as extraordinary individuals, but as people who faced similar challenges and experienced some of the same triumphs we all do. Each of us is on a journey toward making a difference. What's your superpower?

***What's Your Story?*** features:

- Content and themes relevant to middle and high school curriculum
- Inspiration for visitors to see their peers and themselves as leaders
- “Find Your Superpower” digital interactive
- Artifacts from past and present Colorado leaders
- [101 Changemakers](#) who have made an impact, just like you will!

And, on exhibit during the 2020 General Election  
***American Democracy: A Great Leap of Faith***  
September 2020 through January 2021

History Colorado is proud to collaborate with the Smithsonian Institution to offer teachers and students the unique opportunity to explore the many forces, voices, and changes within our democracy. Smithsonian and History Colorado artifacts, contemporary objects, and touchable artifacts—along with audio/video presentations from the Smithsonian and The History Channel—will bring this exhibition to life.

***American Democracy*** aligns with middle and high school civics standards and features five major themes:

- Taking an active role in democracy
- The fight for fair representation
- The machinery of democracy
- The First Amendment
- What makes a citizen?
